PLASTI-LAC™ TRANSPARENT BOOK SPRAY

**Big . . . economical! Fast,
permanent protection
in a 16 oz. spray can.**

Here is enduring, transparent, flexible protection for entire books, their spines and call numbers . . . for prints, posters, maps, pencilled sheets and many other items in the library requiring coated protection. Plasti-Lac replaces lacquer, eliminates time-consuming brush-work and dries handily in just minutes. An exclusively designed fusible plug in the base of the spray dispenser makes Plasti-Lac safe in use . . . safe in storage.

BOOK-AID® EMBOSSSED CLOTH TAPE

won't dry out, or bleed!

The longer Book-Aid is on the book, the more secure is the bond. That's one reason why Book-Aid is best for simple, inexpensive repairs to outside bindings and hinges. Formulated especially for book repair, Book-Aid will not dry out, lift or bleed. Its median initial tack makes unwinding easier and allows you to adjust tape if, at first, it's incorrectly applied. It doesn't need glueing or moistening, it's washable, it's fine grain embossed . . . and, you can letter on it easily and clearly. Book-Aid comes in 11 attractive colors at these economical prices . . .
